PERMIT REQUIREMENTS

Plumbing Installations or Alterations

- ◆ The Village of Wauconda does not currently have a Contractor Registration or License program for Plumbers.
- ◆ A copy of the State of Illinois Plumbing Contractor License and the State of Illinois Plumbers License is required for any interior plumbing work. Exterior sewer/water repair or service does not require a plumbers license.
- ◆ The Village observes the 2014 Illinois State Plumbing Code .
- ◆ All plumbing alteration/installation specifications and locations must be submitted with the permit application for review.
- ◆ A \$75 or \$150 fee is charged for each plumbing inspection based on the type and complexity of the project. Required inspections may include underground, trench, or rough, and at least a final inspection. Inspection requirements are established at permit application review.
- ◆ Call the permit desk at least 24 hours in advance for all required inspections: **847-526-9609**

The Village accepts checks and exact cash for payment of permit fees.
Credit or Debit cards are not accepted at this time.
